### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Christopher Vanderlaan on 4/1/05.

The application has been amended as follows:

#### **IN THE CLAIMS:**

Cancel claims 27-30.

### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

Prior art of record fails to show or fairly suggests the system and the method for on-line or off-line validation of gaming pay-out vouchers dispensed from an electronic gaming machine as set forth in independent claims 13 and 35 including but not limited to at least "transmitting , if the voucher record could not be retrieved, a voucher record unavailable indication from the central network computer to the wireless, portable computer device", "receiving the voucher record unavailable indication at the wireless, portable computer device

and displaying a message”, “receiving a voucher amount via a user interface of the wireless, portable computer device after displaying the message”, and “preparing a voucher database reconciliation record at the central network computer for updating the voucher database at a subsequent time to reflect that the pay-out voucher has been paid”. According to the applicant’s arguments in pages 9-10 of the amendment filed on 12/2/04, claims 13-18 and 35-40 are allowable over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
